Search for a Database or Select a Topic or Select an LC Classification

Enter a keyword Search All Subjects

A-Z Index | Apply Now | Support IUP | Inside IUP | Find People

Viewing: All Subjects.

-- I-Search: EBSCO Discovery Service

Search the library's collections using our new discovery search engine, I-Search. Uses the EBSCO interface.

Trial & Evaluation Databases

The library regularly offers trial access to databases and electronic resources to gather feedback from faculty and students, and to determine whether the databases or resource would be a valuable addition to our collections. Please visit this page to test out the latest trial databases, and send us your feedback!

Turnitin
In order to create effective learning opportunities, we can build on these experiences and stimulate the development of an integrated model of learning that involves classroom teaching as well as interaction with other learning channels such as family members, others in the community, social experiences, other learners and a variety of media. Within the last few classes...
