Thursday, March 8, 2018 from 12:30-2:00 pm

Every department on campus is encouraged to actively recruit new students. Join in a CTE Reflective Practice Large Group meeting, featuring Gwen Torges (Political Science) and John Lewis (Criminology and Criminal Justice) to brainstorm innovative solutions to student recruitment. Let’s talk about what’s working and what’s not, and how we can be more effective in reaching potential students.
